

DOMINANT SEVEN

2012
CABERNET SAUVIGNON
CALIFORNIA

A wine that hits all the right notes.

Like music, wine is a composition, bringing together different elements in search of balance and harmony. It takes skill and creativity to assemble all the right notes. Named for the strong, forceful tone of the dominant 7th chord used to great effect by the world's most gifted composers (think Beethoven and The Beatles), this wine is bold and brilliant, with flavors that resonate long after you've taken your last sip.

TASTING NOTES:

From the moment you pour it into a glass, D7 Cabernet Sauvignon really sings. It's rich and resonant, with deep black cherry and robust berry flavors that harmonize beautifully with notes of mocha and spice on the palate. Lush and full-bodied with a long, powerful finish, this Cabernet Sauvignon soars like a virtuoso Charlie Parker solo.

VINEYARD & WINEMAKING:

The Three Thieves found inspiration for D7 Cabernet Sauvignon all over California, choosing the best fruit from select vineyard sites in regions known to produce exceptional Cab. Grapes from Monterey County and Lodi were married together to create a melodious blend. Fruit from Lodi brings backbone and strength, while grapes from Monterey are dramatic and intense, with deep black cherry and berry flavors.
