

DOMINANT SEVEN

2012
CHARDONNAY
CALIFORNIA

A wine that hits all the right notes.

Like music, wine is a composition, bringing together different elements in search of balance and harmony. It takes skill and creativity to assemble all the right notes. Named for the strong, forceful tone of the dominant 7th chord used to great effect by the world's most gifted composers (think Beethoven and The Beatles), this wine is bold and brilliant, with flavors that resonate long after you've taken your last sip.

TASTING NOTES:

From the moment you pour it into a glass, D7 Chardonnay really sings. It's bright and fresh, with luscious tropical fruit, bright citrus and green apple flavors with hints of creamy vanilla notes that harmonize beautifully with refreshing acidity on the palate. Full-bodied and lyrical with a crisp finish, this Chardonnay belts it out like a world-class soprano.

VINEYARD & WINEMAKING:

The Three Thieves found inspiration for D7 Chardonnay all over California, choosing the best fruit from select vineyard sites in regions known to produce exceptional Chardonnay. Grapes from Monterey, Santa Barbara and Mendocino were married together to create a melodious blend. Warmer climate fruit yields full, lush tropical fruit aromas and flavors, while cooler, coastal grapes present bright citrus notes and clean acidity.
