XL SAUVIGNON BLANC

CALIFORNIA

LIVE LARGE.

The Three Thieves like to think big, especially when the wine at hand is a bright, crisp California Sauvignon Blanc. They agreed that this wine is so sublime, that a single 750ml bottle simply wouldn't do. So the Thieves came up with a big idea: offer their spectacular Sauvignon Blanc to wine lovers everywhere in a super-sized 1.5L bottle. Now that's living large!

VINEYARD INFORMATION:

The Thieves tirelessly scoured California's very best vineyards to find high quality fruit that captures true Sauvignon Blanc character. The result is a blend of fruit from California's best vineyards. With fruit providing racy acidity, refreshing aromas and lively citrus and herbal notes.

WINEMAKING:

We made this wine in a clean, refreshing style using stainless steel tanks to highlight the grapes' naturally bright, fresh flavors and taut mouthfeel. The result is a crisp, vibrant wine with true varietal character that you simply can't get enough of.

WINEMAKERS' NOTES:

A pale straw color in the glass, our Sauvignon Blanc offers zesty citrus aromas, and bright citrus and green apple flavors complemented by delicate herbal essences. With a clean, refreshing finish and mouthwatering acidity, this wine will impress your palate in a big way.
